JOURNAL**OFFICE OF LEGISLATIVE COUNSEL**

Wednesday - 10 May 1972

25X1

2. (Confidential - JGO) In response to his call, I delivered the original of the transcript of the 4 May briefing on Vietnam of the full House Armed Services Committee to Mr. Frank Slatinshek, Acting Chief Counsel, for use during Admiral Moorer's appearance before the Committee this morning.

3. (Confidential - JGO) I talked to Bill Hogan, House Armed Services Committee staff, and told him the transcript of the appearance of Messrs. John Maury and Lawrence Houston before the Intelligence Subcommittee yesterday is still in process at the reporters. Upon receipt it will be edited and forwarded to the Committee. Mr. Hogan agreed the transcript would be needed at the Subcommittee for a period of time but he saw no reason why it could not be returned to the Agency for safekeeping when it has served its purpose.

4. (Confidential - JGO) Met with Mr. Norman Cornish, Subcommittee on Foreign Operations and Government Information staff, House Government Operations Committee, who told me Chairman Moorhead had agreed no Agency witnesses would be necessary for the present series of hearings and apologized that he had been so busy that he had not had a chance to call me when he had talked to the Chairman. He said Chairman Moorhead was particularly interested in my statement that we would feel free to discuss with the Subcommittee any problem we might see in a bill that is in preparation by the Subcommittee which will be proposed by Chairman Moorhead to replace Executive Order 11652. I thanked Cornish for his intercession on our behalf with the Chairman. No further action is indicated at the present time.
